			Exempt	Y	N	Non-Exempt	This position manages the setup, operation, and coordination of audiovisual systems for events, acts as the primary liaison between clients, event managers, and technical staff. Involves client relations, event coordination, equipment procurement, budget input, and supervision of A/V operations during events, requiring technical knowledge and organizational skills. Title says "Manager" but much of the work appears operational and hands-on, which may not meet the Administrative or Professional exemptions unless the primary duty is planning, budgeting, and directing A/V services at a policy or program level. Clarify if the majority of time is spent on technical setup and execution rather than on managerial oversight and strategic decision-making.

			Nonexempt	Y	Y	Exempt	This position manages the operations, staffing, budgeting, safety compliance, and promotional activities of the Sport Shooting Complex. It involves policy and procedural oversight, program development, supervision of employees and volunteers, coordination with external agencies, and budget preparation, requiring advanced knowledge of range operations, safety regulations, and facility management along with independent judgment. Duties suggest it may meet the Administrative Exemption due to its focus on managing a facility, setting operational policies, and directing staff and resources, or the Executive Exemption if the supervisory duties (2 FTE) are a significant time. Clarify if the majority of time is spent on hands-on range operations and event setup rather than on managerial oversight, policy-making, and strategic planning.
County Sports Shooting Complex	Gun Range Manager - 0145-06	Gun Range Manager					
			Nonexempt	Y	Y	Exempt	Clarify extent of individual decision-making in duties involve design, development, doc, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on related to user or system design specs. Primarily junior-level programming under supervision, assisting in design, debugging, and documentation. Likely does not meet the exemption due to the entry-level nature and limited independent decision-making.
