卷之三

DAVID J. STUART

This image shows a severely damaged document page. The paper is heavily stained with dark, irregular marks, possibly from water or oil. The text is mostly illegible but appears to begin with "Cassiar Gold Min. Co." at the top. Below this, there are several lines of text that are mostly obscured by staining. A large, dark, rectangular smudge covers the right side of the page. The left edge shows the binding of the document.

卷之三

This image shows a close-up of a dark, textured surface, likely a book cover or endpaper. The surface has some faint, illegible markings that appear to be bleed-through from the reverse side of the page. There is no clear text or other discernible features.
