

2100 North Street

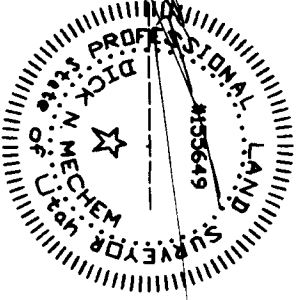

Narrative and Statement of Purpose

This survey was performed for the purpose of establishing the boundaries of the parcel upon which the 2100 North Street, North Ogden City well sits. This was accomplished through field survey, research and interview. As this parcel was originally cut from the larger, parent parcel, it was felt that the owner of the parent parcel would have the best insight into the heritage of this parcel. After discussing the lineage of the remnants of the fence line along the east line of these properties as well as locating capped rebar set by another surveyor on this same alignment it was felt that this line best represented the east line of these two parcels. Basis of Bearing to State Plane 1927

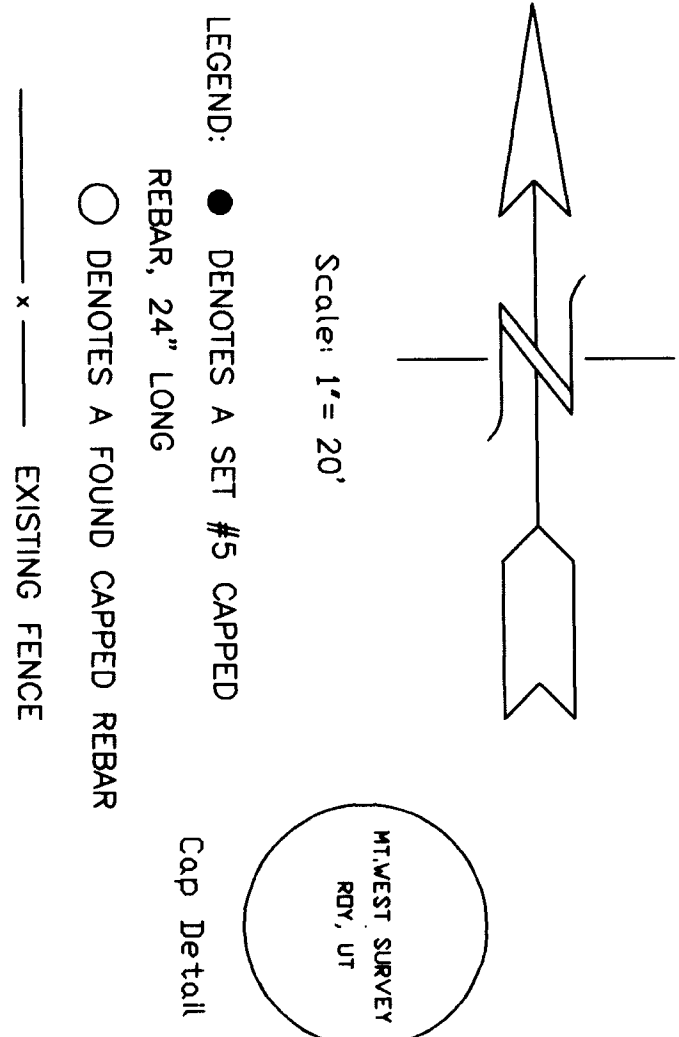

Surveyors Certificate

I, Dick N. Mechem, do hereby certify that I am a Professional Land Surveyor of the State of Utah, and that this drawing consisting of one sheet is a true and complete representation of a survey made by me, in May 1999 for North Ogden City Corporation and in behalf of North Ogden City West P.L.S., LLC, and that all monuments shown hereon are in their proper location and occupy the positions indicated and are sufficient to enable the survey to be retraced.

Dick N. Mechem, P.L.S.
No. 135649
