SURVEYOR'S CERTIFICATE

I, Michael B. Herbst, do hereby represent that I am a Professional Land Surveyor and that I hold Certificate no. 5046930 as prescribed by the laws of the State of Utah and I have made a survey of the following described property. The purpose of this survey is to define the property from the deed description and to define the Northern boundary line of the property prior to the owner installing a new dog run. The owner was concerned about installing it into the neighbors property on the north, and only requested the points along the north line to be set. The basis of bearing for this survey is: South along the road centerline of 10450 East Street. The set boundary corners on the ground are marked with a rebar and cap as noted on this plan.

Michael B. Herbst License no. 5046930

Deed Parcel Description
